Continue to discuss the training opportunities that had been discussed at previous meetings. The discussion is to put together training for the departments to assist with members receiving their basic fire certification and the 73 hours required by the State Fireman's and Fire Marshalls' Association of Texas to allow member to enter structures.

Discussion continued from previous meeting about assembling a board to conduct the business of the training fire fighters in the PERS organization.

Upcoming training, Canyon Fire School, September 19. Higgins Fire School is in August.

New Business

If requested Life Star will conduct landing zone training at your department. It is about a two presentation on how to set up a landing zone. If interested contact Life Star at 1-888-543-3771 or contact Richard Krell at 806-354-1625 or e-mail at krellrichard@med-trans.net.

It was discussed to cancel July's meeting due to A&M Fire School.

Next meeting will be at the Borger Complex Fire Station August 13, Borger Refinery, Spur 119 North, Borger Texas.

The new fire grants for fire stations are available on Firegrants.com.

Dale Price made a motion to dismiss and Paton Willis second.
